Amendment

Hon. Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir or Madam:

This is in response to the Office action mailed July 23, 2004. The Office action noted that the preliminary amendment and amendments did not correspond to pages, elements and paragraphs of the original specification as filed. Applicants were attempting to repeat the PCT amendment filed after the Preliminary Examination Report. Applicants now realize that this was an erroneous procedure because PTO Form PCT/00/EO/903 (Paper No. 4) mailed 13 August 2001 indicates that the Annexes to the IPER have been entered. The IPER document defines "Annexes" to include the appended sheets of description and claims. Accordingly, since the Preliminary Amendment was objected to, Applicants now request that it be disregarded and not entered.
